

```
function initMap() {  
  console.log("here")  
  map = new google.maps.Map(document.getElementById("map"), {  
    zoom: 17,  
    center: position,  
    mapId: "RZA_MAP",  
  });  
  
  const marker = new google.marker.Marker({  
    map: map,  
    position: position,  
    title: "Riget Zoo Adventures",  
  });  
  console.log("done");  
}
```
